

CLASSES

CRAZY EIGHT TABLE TOPPER

Saturday, Dec. 3, 9am-4pm

Cost: \$30 + materials

Teacher: Beth Vilsack

This is a very attractive topper introduced to me by a quilting group who stayed at Seams Like Home. Patterns are from a company out west where this seems to be very popular, and for good reason! (A photo of this group with each of their toppers is on the SLH Facebook page.) Choose 8 quarter-yard cuts of fabric ranging from light to dark and strip them together. Then cut them apart on an angle and stitch them back together. It actually reminds me of one large Stack 'n Whack block.

PAPER PIECED TABLE RUNNER

Saturday, Jan. 28, 9am-4pm

Cost: \$30 + materials

Teacher: Sue Cook

If you have ever thought about trying paper piecing, this is a great class for a beginner. It uses less fabric and has less pieces per block. For those of you who are experienced, this is still a great class because each of the 3 blocks will have a Y seam. Everybody who sews dreads the "Y" seam, but Sue will make this super simple, and you will look super skilled when you show this piece to your friends and family! We are making our sample in pinks and reds for Valentine's Day, but feel free to choose whatever colors inspire YOU!
